

Prayer to the Divine Mother

INVOCATION

"Oh Isis, Mother of Cosmos, root of Love, Trunk, Bud, Leaf, Flower and Seed of all that exists. We conjure Thee, Naturalizing Force, we call upon the Queen of the space and of the night, and kissing your loving eyes, drinking the dew from your lips, breathing the sweet aroma of your body, we exclaim: "Oh, Thou, Nuit, Eternal Seity of Heaven, who art the Primordial Soul, Thou who art what was and what shall be, whose veil no mortal has lifted, when Thou art beneath the irradiating stars of the nocturnal and profound sky of the desert, with purity of heart and in the flame of the serpent we call upon Thee". — Samael Aun Weor
