

Tarot & Kabbalah in the Gnostic Tradition – Arcanum 12

(Supplement)

<http://www.GnosticStudies.org/TarotKabbalah>

The Manufacturing of the Hydrogen SI-12 in the Organism:

“...‘hydrogen’ 768 includes all substances which can serve as ‘food’ for man...

This ‘hydrogen’ enters the lower story of the organism as ‘oxygen’ DO 768.

‘Oxygen’ 768 meets with ‘carbon’ 192 which is present in the organism. From the union of O768 and C192 is obtained N384. N384 is the next note RE.

RE 384 which becomes ‘oxygen’ in the next triad meets with ‘carbon’ 96 in the organism and together with it produces a new ‘nitrogen’ 192 which is the note MI 192.

The energy of DO [from the Air Octave] gives MI 192 force enough, while uniting with ‘carbon’ 48 already in the organism, to pass into ‘nitrogen’ 96. ‘Nitrogen’ 96 will be the note FA.

FA 96 by uniting with ‘carbon’ 24 present in the organism passes into ‘nitrogen’ 48—the note SOL.

The note SOL 48 by uniting with ‘carbon’ 12 present in the organism passes into ‘nitrogen’ 24—LA 24.

LA 24 unites with ‘carbon’ 6 present in the organism and is transformed into ‘nitrogen’ 12, or SI 12.

SI 12 is the highest substance produced in the organism from physical food with the help of the ‘additional shock’ obtained from the air...”

“Hydrogen SI-12 is produced in the human organism, being initiated from the process of digestion.

DO-768: when the food is in the mouth.

RE-384: when it reaches the throat.

MI-192: when it reaches the level of the lungs.

FA-96: when it reaches the stomach, spleen and liver.

SOL-48: when it reaches the solar plexus.

LA-24: when it reaches the colon and the pancreas.

SI-12: when the H-SI-12 is produced...”

-from P.D. Ouspensky in Ch.9 of *In Search of the Miraculous* (1949)

Note: the above quoted section also refers to Figures 25-32.

-from Samael Aun Weor in Ch. 12 of *The Initiatic Path in the Arcana of Tarot and Kabbalah* (1978)

The Transmutation of the Hydrogen SI-12 (H-SI-12):

“New birth,' of which we have spoken before, depends as much upon sex energy as do physical birth and the propagation of species.

'Hydrogen' SI 12 is the 'hydrogen' which represents the final product of the transformation of food in the human organism. This is the matter with which sex works and which sex manufactures. It is 'seed' or 'fruit.'

'Hydrogen' SI 12 can pass into DO of the next octave with the help of an 'additional shock'. But this 'shock' can be of a dual nature and different octaves can begin, one outside the organism which has produced SI, and the other in the organism itself. The union of male and female SI 12 and all that accompanies it constitutes the 'shock' of the first kind and the new octave begun with its help develops independently as a new organism or a new life. This is the normal and natural way to use the energy of SI 12.

But in the same organism there is a further possibility. And this is **the possibility of creating a new life within the actual organism**, in which the SI 12 has been manufactured, without the union of the two principles, the male and the female. **A new octave then develops within the organism, not outside it.** This is the birth of the 'astral body'. You must understand that the 'astral body' is born of the same material, of the same matter, as the physical body, only the process is different.

...The transition of matter SI 12 into emanations and the gradual saturation of the whole organism by it is what alchemy calls 'transmutation' or transformation. It is first this **transformation of the physical body into the astral** that alchemy called the transformation of the 'coarse' into the 'fine' or the transformation of base metals into gold.

...Speaking in general, there are only two correct ways of expending sexual energy— normal sexual life and transmutation.”

-from P.D. Ouspensky in Ch.12 of
In Search of the Miraculous (1949)

“The H-SI-12 can be elevated to a superior musical octave (after the note SI comes DO, which corresponds to another musical scale to a superior octave), through the Restraint of the sexual impulse and ejaculation [or orgasm].

This is how the H-SI-12 passes

- on to a SECOND OCTAVE, giving origin to the Solar Astral Body;
- through a third shock the Hydrogen will pass to a THIRD OCTAVE which will give rise to the Solar Mental Body;
- a FOURTH OCTAVE gives birth to the Body of Conscious Willpower.”

-from Samael Aun Weor in Ch. 12 of
The Initiatic Path in the Arcana of Tarot and Kabbalah (1978)
