The Esoteric Astrology of Samael Aun Weor

As we have said, in the Schools of Internal Instruction, we are made to learn these golden rules:

“The Lion of the Law is combated with the scale”.

**“When an inferior law is transcended by a superior law,
the superior law washes away the inferior law”.**

The solution to these two golden rules is found in a third which says:

“Do good deeds to pay your debts”.

Very well, now imagine a scale: On one plate lie your good deeds and, on the other, your bad deeds and your corresponding Karma. If the Karmic plate is inclined against you, then you will be able to fight it by placing more weight on the plate of good deeds and then you shall incline the scale in your favor and thus kill Karma. A Temple of the Lords of Karma exists in the subtle world, and the “Jackal” is Great Chief of these Archons of Destiny. This Great Being is the Supreme Judge of the Cosmic Tribunal; he has the appearance of a great man with the head of a jackal.

When we have accumulated capital in the Cosmic Bank, we pay our debts and avoid pain. Those who live daily making “new deposits” into the Cosmic Bank will always have something with which to pay their old debts. In this matter of paying debts, one should always keep in mind the law of “Analogies” and of correspondences. The Karmic analogies are fought with Dharmic analogies. Karma and Dharma: these two oriental terms mean Punishment and Reward.

In a more philosophical form we could say: bad Action & bad Consequence, and good Action & good Consequence, and by modifying the causes, one modifies the effects (since the effects are nothing else but causes reproduced in another form). Are you going to be made a prisoner? Give freedom to another! Is your son going to die? Heal your fellowman! Are you in misery? Give all that you have left to the hungry and sacrifice all your efforts in favor of others. Beg, in prayer, to the Lords of Karma and you will be heard.

So, we have already taught you the two golden rules and we have explained to you how Karma can be destroyed. In the following lessons I will be teaching you how to manage the Sidereal Rays.

**“He who has, receives; and the more he gives, the more he receives:
that is the Law.”**

But those who do works of evil shall be victims of their own works. Why do people suffer? Why do they blaspheme against God if human suffering is not God’s fault? We ourselves are the creators of our own destiny. Sanctify thyself, beloved disciple, Sanctify thyself!

Samael Aun Weor’s Explanation of Taurus

Now, let us begin explaining the exercises of the Constellation of Taurus. Taurus rules the larynx and the neck. The larynx is also a uterus where the word is born. The Creative Larynx will be the sexual organ of the future Divine Humanity. The Sexual Fire of the Kundalini becomes a creator through the word. In our works titled “The Perfect Matrimony”, “The Revolution of Beelzebub”, and “Treatise of Occult Medicine and Practical Magic”, we already have extensively spoken about the Kundalini and we taught the Great Arcanum or Supreme Secret for awakening the sleeping princess of the Kundalini.

The word is intimately related with the 4 Elements of Nature, and due to this, the Initiates of the Ancient Temples of Mystery were prohibited from talking about the old catastrophes of ancient Arcadia for fear that they would bring them back into existence. For this reason, the Ancient Initiates never spoke publicly about the archaic cataclysms.

A hard word follows us and later falls upon whosoever pronounced it, like a ray of vengeance. There is not only fornication with the sexual act, there is another kind of fornication: with the word. The improper use of words is a type of fornication. Fornication with the word creates astral larvae and disgrace. It hurts to see how people abuse the word and fill the world with pain.

Slander is the worst of all blasphemies. Be careful in mentioning first and last names, because that is slander. If you are a philosopher, fight theories, but never talk about the private lives of its leaders. When one talks about a leader, talk about their doctrine, but never mention their private life. No one should care about the private life of others, let others live their lives.

“To talk when one should keep quiet is as bad as keeping quiet when one should talk.”

There are times when talking is a crime and there are times when keeping quiet is another crime.

“There are criminal silences and also infamous words.”

One should talk when one should talk and keep quiet when one should keep quiet. One should comprehend the responsibility of the word. People have lost their notion of sincerity. Nowadays, human words do not carry the substance of sincerity and people suffer due to the lack of sincerity. Today, human words are full of falsehood and hypocrisy. We admire very much the substance of sincerity. One should achieve the perfection of the word and of language in oneself.

Samael Aun Weor's Practices to Gather the Energy of Taurus

Exercise:

1. Sit in a comfortable chair
2. Close your eyes, remove all thoughts from your Mind, make yourself a little drowsy
3. Then focus your mind inwards, towards the Inner Master (the Inner Being), praying like this:
“My Father, transport yourself now to the Principal Star of Taurus, enter through the doors of the Heart-Temple making the salutes which you already know and beg the Sidereal Genie of that star and his Angels to descend and come to me, so that they may "prepare" me and cure my larynx.”
4. Cross the hands over the heart and Salute the Guardians of the Heart Temple
 - a. Bow to the right, inhale and then say 'Jakín'
 - b. Bow to the left, inhale and then say 'Boaz'
5. Again pray to the Intimus or Inner Being:
“My Father, take the 7 sacred steps within, towards the interior of the temple, and kneel down at the feet of the Principal Genie of Taurus, begging him and his Angels to come and cure my larynx and to inundate my throat with Light”.
6. Then the disciple pronounces the mantram: **AOM** (4 times).
7. The disciple should vocalize daily the vowel “E”, for one hour, like this:
eeeeeeeeeeeeeeeeeeeeeeeeeeee.

The vibratory sound of this vowel will awaken the Power of the Occult Ear in him. The vowel “E” causes the Thyroid Gland, which is the Center of the Magical Ear, to vibrate. The vowel “E” also develops clairvoyance of the mental body. The vowel “E” makes the Mental Body vibrate and gives us Conceptual Synthesis and the Power to penetrate into the intimate sense of words.
